Philip Morris  
(Barclay Patents - Switzerland)

Dear John:

Lee Pollak at Philip Morris has asked me to provide some background information concerning B&W (or BAT) patents (and applications) in Switzerland that relate to "Barclay" type filters, their manufacture, or apparatus used in their manufacture. I believe that you have been keeping a list of these applications and patents and their status.

If you have this information readily available, could you please provide it to me?

Thank you for your assistance.

Sincerely yours,

W. Edward Bailey
